

Hi again everyone

Just a quick update for May .....

Firstly - The latest edition of the "Biggin Hill Bugle" from John Bryan is now available on the Pilots Pals Club website at <http://www.pilotspals.co.uk>  
Follow the "newsletter" link on the home page.

Finally - the sad passing of another old Biggin Hill'ite.....

Ray Bates, a former instructor with South London Aero Club, apparently died on 25th April at Crawley Hospital. He is thought to have stopped flying after suffering a serious crash at Brands Hatch following a forced landing practice in around the late 70's.

No arrangements known at the moment but one of our members is in contact with his son and will try to pass them on to me when known. If anyone who knew Ray would like to be informed, please email me back.

Regards

John Willis
