

Hi everyone

Welcome to the September Biggin Hill Users Database Newsletter. The September edition of the Biggin Hill Airport "BUGLE" by John Bryan is also available for viewing/downloading on the Social Club's website at <http://www.bigginhillclub.co.uk>

Please keep those stories coming in for inclusion in future issues. Every month JB finds things to write, quite how, I don't know! (his direct email address is johnbryan@jbplstdemon.co.uk, or you can send items directly to me to pass on)

EMAIL ADDRESS UPDATES AND ADDITIONS

Thanks to those who have sent amended email addresses, and suggested new members, and of course, welcome also to those that have recently added their names to the database.... For current member names see <http://www.bigginhillreunited.co.uk> and go to the link to the database membership..

A very short Newsletter this month, mainly just to announce the publication of the September Bugle.

After the disgraceful treatment of Air Displays International by the airport authority, it seems increasingly unlikely that we will ever see another proper air show at Biggin Hill. So please show Colin and Fran Hitchens, and all their team of workers, your support for all their past efforts by attending their first non-airport special event:

CHARTWELL 70TH ANNIVERSARY BATTLE OF BRITAIN CONCERT

Being held this coming Saturday - 4TH September 2010 – this very unique event will celebrate the 70th anniversary in a fitting show to be held at the National Trust Property at Chartwell, the home of Sir Winston Churchill from 1924 until his death in 1965.

The **Central Band of the Royal Air Force** will take centre stage for a twilight concert in support of the Royal Air Forces Association that will re-live and commemorate those momentous events of the summer of 1940. The band will be supported by the Battle of Britain Memorial Flight, archive film, special effects and narration

Full details of this unique evening can be found at www.synergyeventsuk.com or by calling 01959 572277. (Tickets in advance of the day only)

That's about it for this month...

John Willis - Biggin Hill Airport Users Database

(And Finally:

The following text was sent to me by Ralph Scott from Spain. Very good suggestion I thought!.....

QUOTE.....

LETS PUT ALL SENIORS IN JAIL AND ALL CRIMINALS IN NURSING HOMES!

And the effect???

THE SENIORS

In Jail the seniors would have access to showers, hobbies and walks. They'd receive unlimited free prescriptions, dental and medical treatment, wheel chairs etc and they'd receive money instead of paying it out. They would have constant video monitoring, so they could be helped instantly, if they fell, or needed assistance. Bedding would be washed twice a week, and all clothing would be ironed and returned to them. A guard would check on them every 20 minutes and bring their meals and snacks to their room. They would have family visits in a suite built for that purpose. They would have

access to a library, weights room, spiritual counseling, pool and education. Simple clothing, shoes, slippers, PJ's and legal aid would be free, on request. Private, secure rooms for all, with an exercise outdoor yard, with gardens. Each senior could have a PC a TV radio and daily phone calls.

There would be a board of directors to hear complaints, and the guards would have a code of conduct that would be strictly adhered to.

Whereas....

THE CRIMINALS

The "criminals" would get cold food, be left all alone and unsupervised. Lights off at 8pm, and showers once a week. Live in a tiny room and pay £900.00 per month and have no hope of ever getting out.

JUSTICE FOR ALL WE SAY!

THINK ABOUT THESE - (MORE POINTS OF CONTENTION)!

COWS

Is it just me, or does anyone else find it amazing that during the mad cow epidemic our government could track a single cow, born in Bourne almost three years ago, right to the stall where she slept in the county of Lincolnshire? And, they even tracked her calves to their stalls.

But they are unable to locate 125,000 illegal immigrants wandering around our country. Maybe we should give each of them a cow..

THE BRITISH CONSTITUTION

They keep talking about drafting a Constitution for Iraq ...

Why don't we just give them ours? It was drawn up by a lot of really smart guys, it has worked for centuries - and we're not using it anymore!

THE 10 COMMANDMENTS

The real reason that we can't have the Ten Commandments posted in a courthouse or Parliament, is this -

You cannot post 'Thou Shalt Not Steal', 'Thou Shalt Not Commit Adultery' and 'Thou Shall Not Lie' in a building full of lawyers, judges and politicians It creates a hostile work environment.

IT IS TIME FOR THE GRUMPY OLD FOLK OF BRITAIN TO SPEAK UP!

.....UNQUOTE

If anyone else has good examples of, for example: - Governmental stupidity and removal of the population's right to live a normal life, or simply any unusual and interesting stories or anecdotes that you feel may interest our readers, please email them to me as a possible inclusion in a monthly "and Finally"....)
