

Hi everyone.

The September "Bugle" from JB is now available on the web site at <http://www.pilotspals.co.uk>

Just a quick reminder about the "mini" reunion at the bar on 16th September.

The "reunion bit" will start at 4pm - BBQ will run from 6pm til 9pm - The flying display will start at 8pm for 30 mins (3 separate display aircraft performing subject weather, of course). The evening party (with Coolie and Rick playing the old favourites) will start around 8:30pm after the flying finishes.

All are welcome and we are aware that some of the real old timers are planning to come to the event - (Bob Needham has confirmed he is flying over from Australia now, subject only to the slight uncertainty of Airline staff travel!).

Hope to see many of you there.....

Best regards
John Willis
