

Hi everyone.

Just a quick reminder, knowing how people do forget if given too much notice, that there is a Memorial Service this coming Friday (23rd) at the RAF St George's Chapel at 11am for Ron Smith (our Gentleman Flying Instructor from Biggin Hill Aero Club and Sportair, who died recently).

Following the service, arranged by his family, there will be snacks and light refreshments available at the Pilots Pals Bar on the airfield. Anyone who knew this gentle man and dedicated flying instructor (who gave so much to aviation and aviation people), will be welcome to attend the service to show the family their respects.

In order to assess likely numbers, please let Julie Brewer know you intend to be there (phone 01795 842941)

regards
